RE: House Bill H5223

Dear Honorable Daniel McKee
Honorable Joseph Shekarchi

Falvey Linen Supply has been a vendor supplying linen goods to Twin River for a number of years. We value that mutually beneficial business relationship and as such endorse the efforts of Twin River to maximize economic development for the State of Rhode Island.

We understand those initiatives will allow IGT to keep over 1,000 jobs in Rhode Island and increase in a substantial way its continuing investment in the State through new construction at the Twin River Casino Hotel in Lincoln.

We believe that legislative support for IGT's initiative is imperative as it provides over 300 million dollars a year in revenue to the State. We hope that you will seriously consider the pending legislation and support it as it will have the effect of providing jobs, opportunity, and income at a time when it is desperately needed.

Thank you for your kind consideration and if you require additional information please do not hesitate to contact me.

Sincerely,
